Royalty NFT

## WHAT IS ROYALTY NFT?

Royalty NFT operates as a status program, granting participants Royalty Bonuses within the framework of NFTs. This program comprises 6 NFT levels, with Royalty bonuses being allocated according to the cumulative turnover of Upcoming Digital Products within the Believe Network Space Programs. These programs include the CosMos Network System, Universe System, Global System, and Galaxy System.

Royalty NFT refers to an NFT that can be generated using your BN Energy Token (BNSEnergy:Believe Network Space Energy), which, in turn, is contingent on your involvement in B-Network Marketing Plans. In each system of B-Network mentioned above, 1 BNSEnergy Token is equivalent to 1 USDT for the first 50% supply, but this dynamic will change as the amount of BNSEnergy remaining to be distributed decreases. The acquisition of BNSEnergy Tokens is possible through referrals and/or by upgrading Planets. The extent of your engagement plays a crucial role because Royalty NFTs are exclusively crafted for proactive believers who place their trust in our B-Network Space Eco-System.

# JUST SPACESHIP NFT IS A BASIC LEVEL 0 NFT

By charging the NFT with Energy tokens, you achieve status(es) that provide you with income from the **GLOBAL REVENUE POOL** (From Our Upcoming Marketing Plan- CosMos Network, Universe Network 2.0, BN Gaming, BN Metaverse and All Upcoming Eco System Projects, ).

## JUST SPACESHIP

1. **Just Spaceship NFT** has no status and, therefore, does not receive a share from the turnover.

2. In order to start receiving income from the revenue, your NFT should reach at least the first status which is Earth NFT (Level 1).

3. You will need **1500 BNSEnergy TOKENS** to reach level 1 (Earth), unlocking the EARTH NFT Status.

4. Energy tokens are awarded for different types of activities in BELIEVE NETWORK SPACE Eco-System Programs.

5. In the future, there will be plenty of opportunities to accumulate Energy Tokens, but charging your NFTs will become harder

6. After you charge the **JUST SPACESHIP NFT** to 1st status Level - **Earth**, the system will mint a new **Just Spaceship** NFT for you

## Royalty NFT

The first participants receive **BNSEnergy TOKEN** for participating in our Programs, which can be used as Energy.

# WHAT IS BNSEnergy TOKEN ?

The earliest participants receive BNSEnergy TOKENS, which can be used as energy with a maximum coefficient of 1 to 1.

In each plan, after distribution of the first 50% of the supply, the emission of BNSEnergy Tokens with 1:1 Ratio will end.

BNSEnergy Tokens distributed after the first 50% of the supply will have a Ratio of 2:1 for the next 25% of the supply then the remaining 25% will have a Ratio of 4:1 in each of the plans.

Which is 2 TIMES then 4 TIMES LOWER than the Previous BNSEnergy TOKENS, although still a high coefficient.
